

Deepak Goradia Chairman

"In a legacy spanning over three decades, we always strive to raise the bar higher and let our work speak for us. We treat every honour and award bestowed upon us as the respect of our peers and a result of sustained achievement which has required moral courage, undeterred passion, hard-work and the ability to make tough choices."

BUILDING A LEGACY *on faith and friendship*

In its 30 years of existence, Dosti Realty has carved a niche for itself in the construction industry that is based on the age-old principles of trust and transparency that binds people together

Rich history and legacy

Ever since its inception in 1980, Dosti Realty has been synonymous with trust, togetherness and reliability. It has been in the real estate business for over three decades and delivered more than 101 properties till date, providing homes to over 6,700 families.

The group's presence in Mumbai

Encompassing a portfolio of 7 million sq. ft. across Mumbai, the company has experience in various development types, be it residential, retail, IT parks, among others. Over the years, it has been known for aesthetics, innovation, quality and timely delivery, values that stand true till date. The company has now expanded to other cities like Ahmedabad and Pune as well.

Addressing changing customer preferences

With the motto of not becoming a stereotype construction company, but an entity that comes across to its customers more as a friend than a business house, Dosti Realty extends the hand of friendship to all stakeholders be it employees, vendors, consultants, investors and customers.

Innovative Introductions

Dosti Realty's technique of planning has helped develop futuristic constructions. With this line of thought, it transformed Wadala into a dream land by creating Dosti
